Ms. Rama Naidu,
Chief Executive,
Chronic Care Foundation,
R-39, Ground Floor,
South Extension Part II,
New Delhi – 110 049

Dear Ms. Rama Naidu,

With reference to your letter dated July 11, 2009, I wish to thank you for sending me the report on Non communicable chronic diseases in India, for my comments.

The enclosed report, in my opinion is a detail, yet very comprehensive one, throwing light on the global burden of non-communicable diseases. The Statistical Summary of important Chronic illnesses have been vividly presented. It provides an insight into existing policy in India, with regard to the quality of services and state of patient care in relation to non communicable diseases. This report can serve as a valuable reference to all health care professionals and policy makers. This report could provide the basis to initiate and undertake future research studies in this area of Non communicable diseases. The global scenario is very well elucidated.

We look forward for your support to undertake more research studies in this area.

Thanking you,

Yours sincerely,

(MRS.MADONNA BRITTO)

Principal,
